### **DETAILED ACTION**

Receipt is acknowledged of the amendment filed 03/25/2008.

The rejection under the judicially created doctrine of obviousness-type double patenting is hereby withdrawn.

The rejection under 35 USC 102(e) is however maintained in this action. The substance of that action is found in the last office action.

### ***Response to Amendment***

The declaration under 37 CFR 1.132 filed 03/25/2008 is insufficient to overcome the rejection of claims 12-16, 20-23 based upon 35 USC 102(e) as set forth in the last Office action because: The declaration from Robert Langer is not sufficient to show the prior action is not the work of another. Further declarations are required from at least from inventors Shastri.

### ***Conclusion***

**THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not

Art Unit: 1615

mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.

Claims 17-19 are objected to as dependent upon a rejected base claim.
